

Primary ECT & NQT+1 Training

FACE TO FACE

ONLINE

Training provided through the Alban Teaching School Hub, with the support of The Ivy Learning Trust. The following CPD sessions are aimed at Early Career Teachers and teachers in the second year. There are four face to face sessions remaining to allow for more practical CPD, as well as being an opportunity to ask questions to a senior member of the Alban Teaching School Hub team, as well as three online sessions to round off the programme.

Technical Skills for Writing

Chance to discuss theory and practice around developing the required skills for the Writing curriculum - resources and activities shared for immediate use.
13th January 2022

Humanities

Resources and approaches to ensure full coverage of the skills and knowledge required from the National Curriculum.
10th February 2022

Outdoor Education

Opportunity to practically experience activities to support Outdoor Learning and discuss the benefits in supporting positive mental health.
3rd March 2022

PE - KS1 and 2

Develop and extend the core skills and principles of athletics, build confidence in the delivery of challenging & inclusive material to engage all pupils
21st April 2022

Art and Design

Ideas, resources and activities to support the delivery of an engaging and progressive Art curriculum. Discussion about ensuring a diverse range of artists.
5th May 2022

Practical Science

A practical session looking at resources, books and activities, with opportunity to look at how to embed the 'working scientifically' aspect of the National Curriculum.
17th June 2022

Making Music

An opportunity to understand the expectations of the Music curriculum and how it can be embedded in the classroom.
17th June 2022

Face to face sessions will take place at The Wroxham School, in Potters Bar. Courses will start at 4pm and run through until 5.30pm for face to face and until 5pm for online sessions.

Prices - each course is £30 per person - 6 courses for £150 - if you buy multiple courses, you can share them between your ECTs and NQTs+1.
