

# Teaching Internships

**Experience the teaching profession and gain new skills.** With Teaching Internships, you'll get the opportunity to experience a range of activities to help you get a feel for school life..

## The Details

The Advanced Learning Partnership is offering placements at schools in Hertfordshire

You'll need to be an undergraduate interested in teaching **maths, physics, computing, chemistry or a modern foreign language**

Lasts 3 weeks, from June

You'll be paid £300 per week

You'll gain classroom experience, support pupils, shadow experience teachers, observe lessons and lots more

You'll receive support after your internship to pursue your interest in teaching, including from the school and a dedicated adviser

Find out more: visit **education.gov.uk/internships** or [www.advancedlearningpartnership.co.uk](http://www.advancedlearningpartnership.co.uk) to apply by **14<sup>th</sup> April 2023**
