“  
I would thoroughly recommend any school thinking of coming to the next conference to attend and participate”

“  
really useful insights for how to approach the content, delivered well”

“  
the students really engaged with the exhibits. It was a very thought provoking day enjoyed by all”

“  
children loved the hands-on workshops”

“  
The expert-led workshops really allowed the students to think critically about the issues and their role in making a better future”

“  
...it really had our students thinking about the challenges and potential opportunities that climate change poses”
