"Very useful, practical ideas which I can use in my setting and share with other SENCOs in our MAT"

'Good teaching for for children with SEND, is good teaching for all'

The session will provide valuable CPD to support schools as they develop and adapt classroom provisions for children with additional needs. Hear the theory and context from our school leaders, then see it in action in the classrooms!

- Sensory Needs Provision
- Evidence-based approaches
- scaffolding and curriculum adaptations
- Identification of SEND, record keeping and monitoring; ensuring every child gets what they need to be successful.
- Outreach support available to you from Swallow Dell

"What you have achieved is effective and gives us something to aspire to. I remain exceptionally impressed with what you have set up at Swallow Dell."

Richard Curry, Headteacher at Our Lady Catholic Primary School

There are 20 places available for the 2hr session @ £50 each. If you want to bring multiple members of staff, there is a school place offer of £100 per school.
